There are different kinds of bequests, each requiring specific language to direct your assets in a way that successfully carries out your wishes. Each begins the same way and language you can use follows:

We encourage you to let us know if you have provided for JFCS in your will or trust so that we can recognize you as a valued member of our Heritage Circle. It would also be much appreciated if you would be willing to complete a **Letter of Intent**. Although this is completely non-binding, it does ensure that we will have a statement of your wishes on record so that future generations may benefit from your inspirational example.

As with all important financial decisions, you may want to consult legal and financial professionals for advice.
